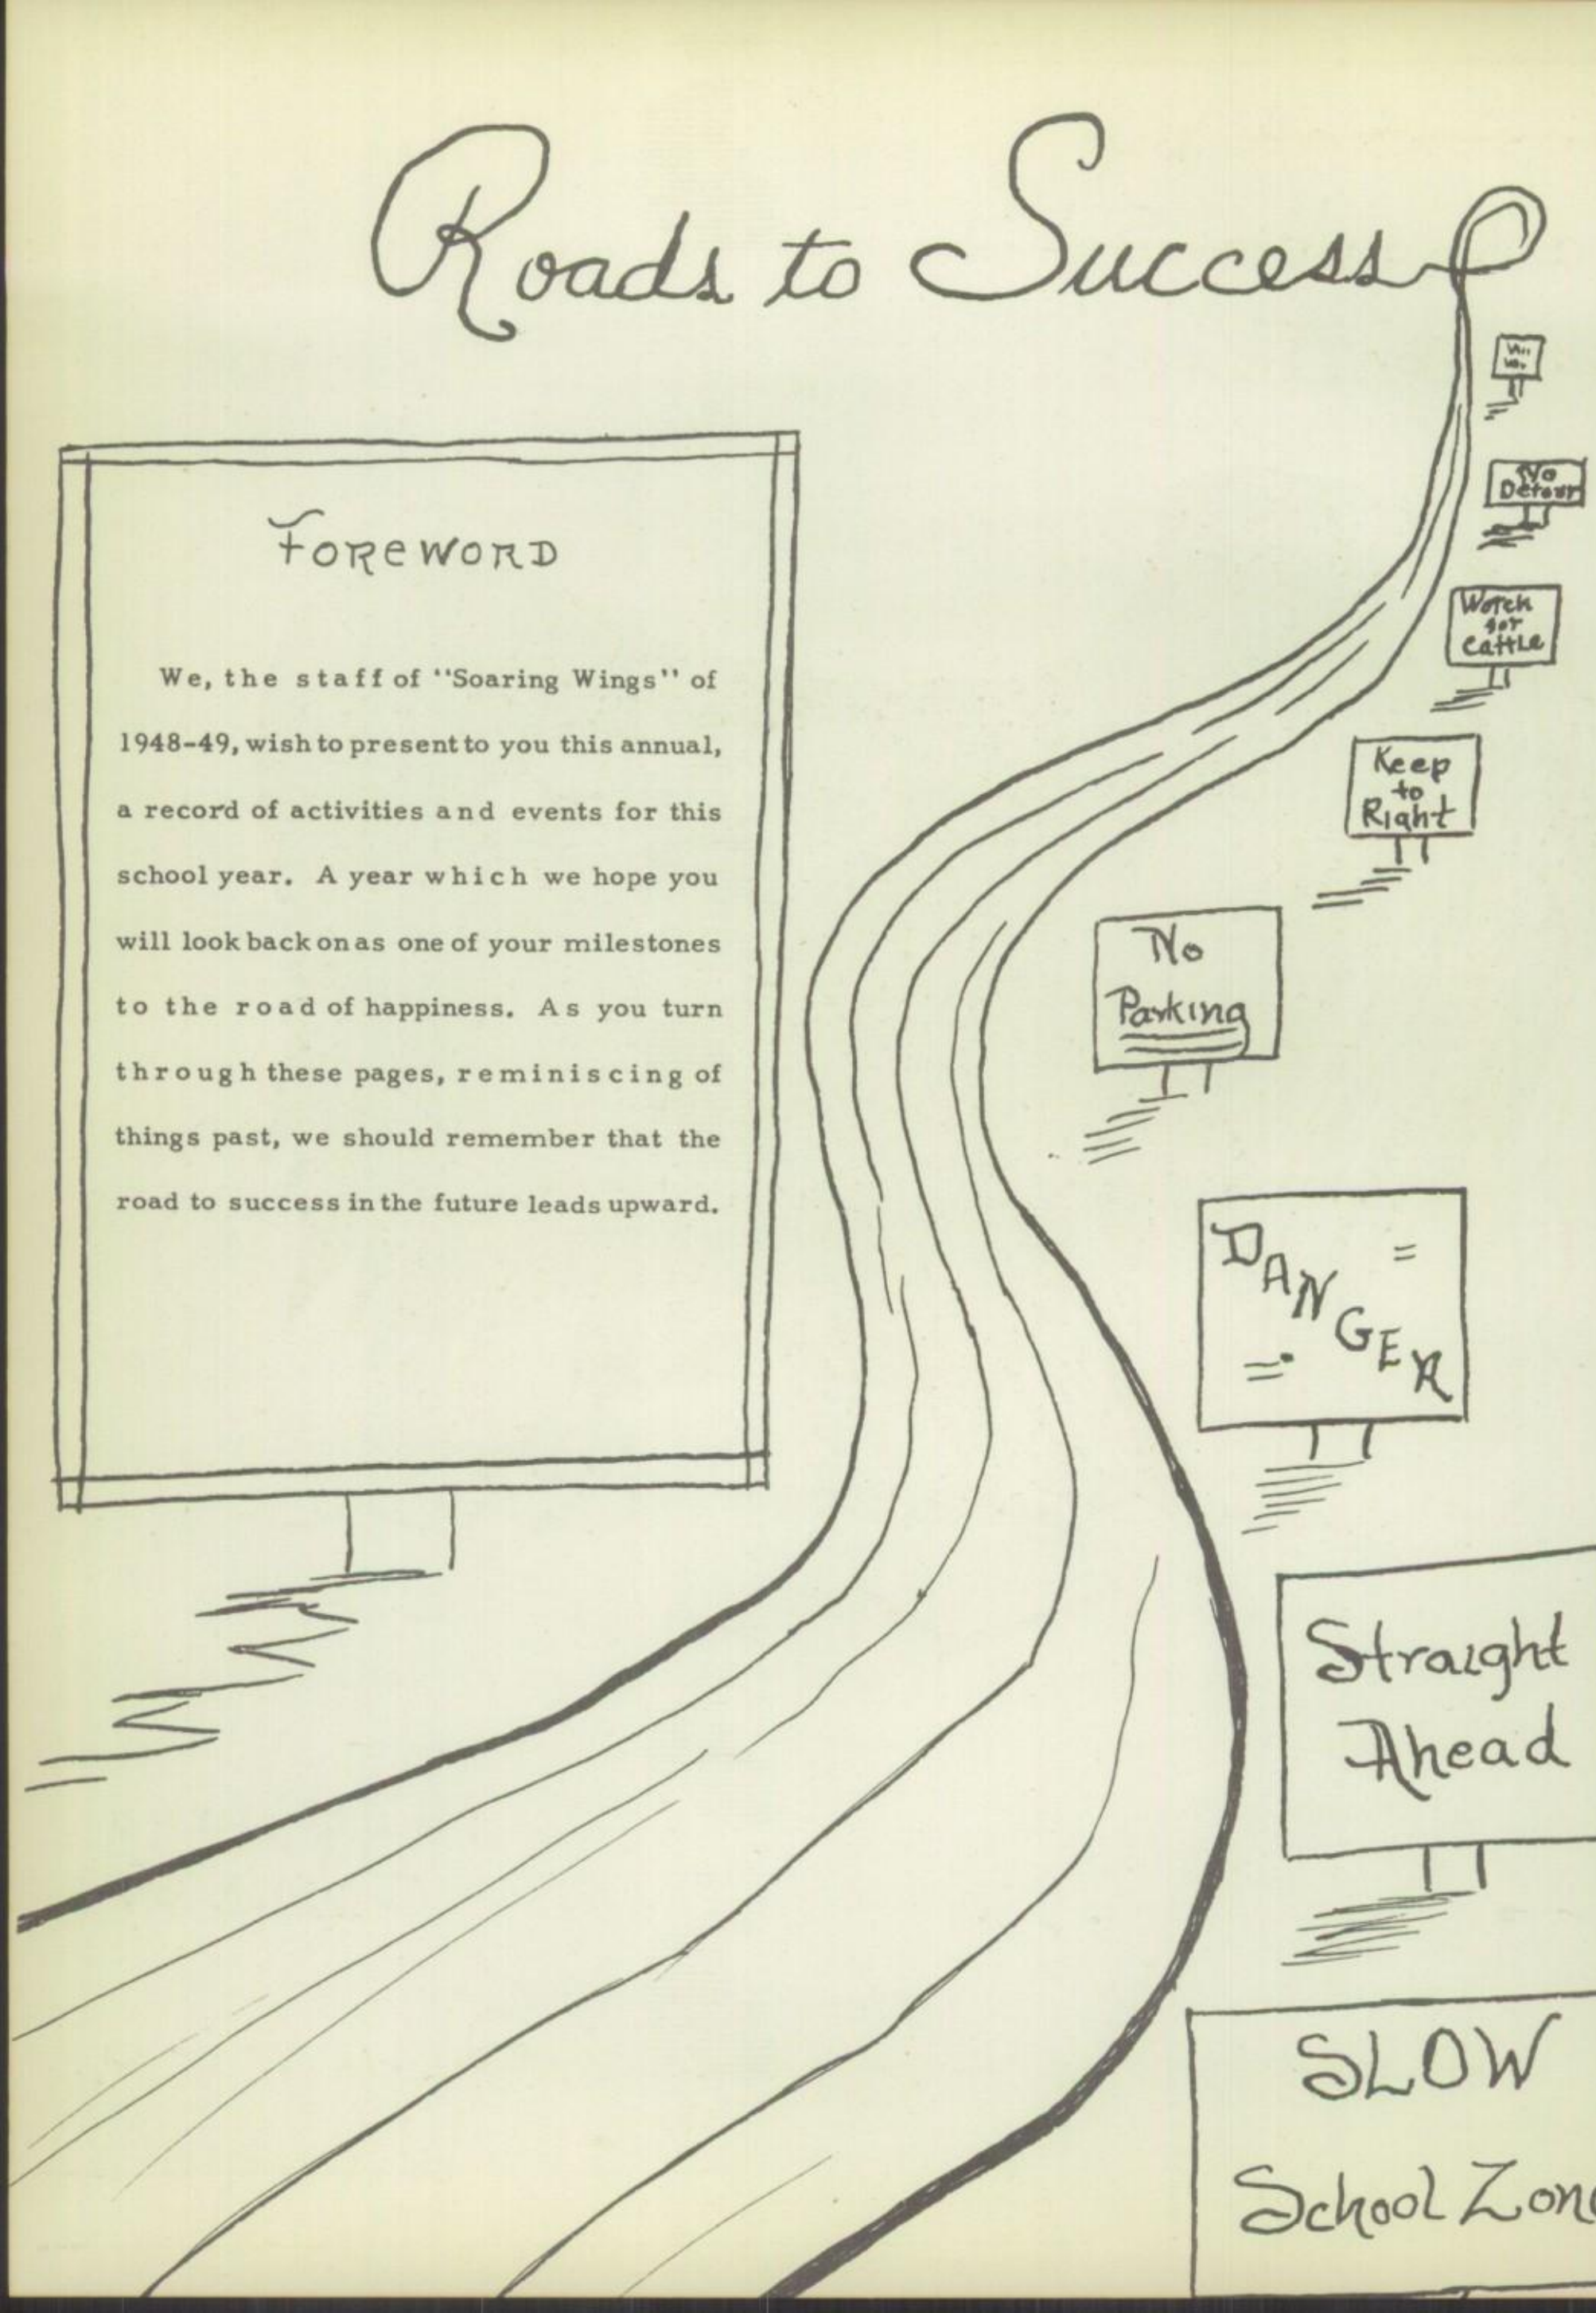
Roads to Success

FOREWORD

We, the staff of "Soaring Wings" of 1948-49, wish to present to you this annual, a record of activities and events for this school year. A year which we hope you will look back on as one of your milestones to the road of happiness. As you turn through these pages, reminiscing of things past, we should remember that the road to success in the future leads upward.



As a token of our appreciation, we, the 1948-49 annual staff of C. H. S., wish to dedicate our annual to the progressive citizens of Randall County who voted the $100,000.00 bond to enlarge our school system.

Mrs. Ed Harrell, Secretary

Dr. R. A. Neblett, President

Signing the $100,000.00 School Bond which paid for the Cafeteria, Vocational Ag. Building, Band-Chorus, Woodworking shop, new lighting system, and fixtures, bus-loading zone and drive, side-walks, and land-scaping.

School Board

Seated left to right are Superintendent E. A. Wooten; Mr. C. B. Erwin; Mr. W. R. Crow, Vice President; Dr. R. A. Neblett, President; Mrs. E. D. Harrell, Secretary; Mr. Walter Graham; Mr. Clem Dugan; Mr. George R. Ross, Assistant Secretary; and Mr. Lee Foster.

Superintendent

Greetings to the Staff:

My heartiest congratulations to you members on the Staff of SOARING WINGS for this wonderful yearbook of our school and its activities. I have watched you gain the cooperation and assistance in this endeavor from the finest student body in our school's history----a student body, whose serious attitude and warm friendship toward our highly improved citizenship-scholastic program this year, has marked it as the most considerate group of students ever to participate in such a program of unified consolidation, as was effected by the sending Districts this year. This consolidation has made possible a better department for your staff's work and may I commend you again for your success in meeting this new challenge.

Sincerely,
Your Superintendent

E. A. Wooten
